## BACKGROUND

Steve Sapato has been a speaker and trainer for over 40 years, as he shared business acumen and real-life motivational stories across America. Presenting over 1,000 times, to audiences as large as 10,000, he trained businesses on how to be more successful with his management, meetings, and time management. His keynote presentation, *Great Managers Are Not Born*, has changed lives to build stronger and better companies.

Steve's audiences are consistently engaged, participate in activities, take notes, and leave with actionable steps to increase their self-worth and business success!

Whether your audience is 10 or 10,000, in North America or abroad, Steve Sapato will deliver a tailor-made presentation of focus, achievement, and success.

## PRAISE FROM THE MEETING PLANNER

*"Transform International hired Steve to train our client's who are business owners spread throughout 8 countries. He taught once a week for 12 weeks, via video conferencing. As the Founding CEO, I cannot express enough written gratitude in accordance with the lives he permanently transformed and his assistance in transforming businesses into Empires; which is our core mission and promise to our clients. If you are seeking to hire a phenomenal presenter, look no further; Steve is your man. His ability to teach, motivate, and encourage is above par and truly hard to find. The outpour of appreciation from our clients was much higher than we anticipated."*

- Elena Rahrig  
The Empire Creator
